Waste Compliance and Mitigation Program

Request Date: March 23, 2010

Decision Subject: Concurrence on a Major Waste Tire Storage Facility Permit

Action By: June 22, 2010

Summary of Request: This is a request that the Program Director approve the issuance of a Major Waste Tire Storage Facility Permit for Tri-C Manufacturing Inc., Yolo County – TPID No. 1480835 and replaces the Minor Tire Storage Facility Permit for the facility. Staff's findings and recommendations are provided relative to the proposed action.

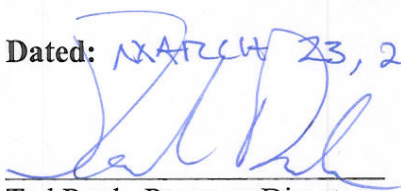

Staff received an application for a Major Waste Tire Facility Permit on December 3, 2009. The application was accepted on December 24, 2009. CalRecycle is required to act by June 22, 2010.

Recommendation: Based on our review of the submitted permit package, staff recommends issuance of the permit. The applicant has met all the necessary application requirements outlined in 14 CCR, section 18431 pertaining to the issuance of a Major Waste Tire Facility Permit. The required CEQA findings have been made in support of concurrence. The documents and analysis on which staff's findings are based are in the facility file.

Program Director Action:

On the basis of the information, analysis and findings in the staff report attached to this Request for Action and staff recommendation, I hereby issue the Major Waste Tire Storage Facility Permit for Tri-C Manufacturing, Inc. TPID No. 1480835 to replace the Minor Waste Tire Storage Facility Permit for the facility. Department staff shall file a Notice of Exemption with the State Clearinghouse in compliance with CEQA guidelines section 15301.

Dated: MARCH 23, 2010
